

STATE EMPLOYEES SERVE COMMUNITIES ALL ACROSS ILLINOIS

Every Illinois resident benefits from the work of state employees. We count on them to care for elderly veterans, and people with mental illnesses or developmental disabilities. We rely on them to protect public safety and respond to emergencies. We depend on them to stop child abuse, protect clean air and water, help families struggling with unemployment and much more.

But now state workers are counting on us to stand with them against Gov. Rauner's efforts to drastically diminish their rights, make their workplaces less safe and less fair, and drive down their standard of living. Here's a sampling of what state employees do for us every day.

ILLINOIS STATE EMPLOYEES...

Serve the elderly...

- Investigating more than 14,500 annual reports of elder abuse, neglect and financial exploitation.
- Providing screenings and other services to more than 244,000 seniors, helping keep seniors out of nursing homes.

Protect children...

- Investigating more than 109,000 reports of child abuse or neglect each year.
- Ensuring the safety and well-being of more than 15,000 kids in foster or substitute care.
- Monitoring standards in over 8,000 day care homes, 3,000 day care centers and 700 group day care homes in Illinois.

Care for veterans...

- Providing long-term care to more than 850 aged and disabled veterans in the statewide network of veterans' homes.
- Helping find work for those who served our country through Veteran Employment Services.
- Assisting more than 141,000 veterans to access federal and state benefits.

Protect our health...

- Safeguarding the air we breathe and the water we drink.
- Licensing hospitals and nursing homes to ensure quality of care.
- Preventing and combating disease outbreaks.
- Testing over 77,000 livestock a year for diseases that could threaten humans.
